

# RENEWAL FRAMEWORK

## 10 YEAR RENEWAL

- No Current Significant Compliance Issues
- Financially sound audits last 3 years
- Academic outcomes have been comparable to the local school administrative unit in the immediately preceding three years or have exceeded growth the last 3 years

## 7 YEAR RENEWAL

- No Significant Compliance Issues last 2 years
- Financially sound audits last 2 years
- Academic outcomes have been comparable to the local school administrative unit in the immediately preceding 3 years or have exceeded growth last 2 of 3 years

## 3 YEAR RENEWAL (with stipulations)

- Compliance Issues more than 1 year creating a pattern
- Inability to provide sound audits for the immediately preceding year
- Academic outcomes have been comparable to the local school administrative unit at least 1 year or met growth 2 years of the immediately preceding 3 years

## Assuming NON RENEWAL\*\*

- Current and persistent pattern of compliance issues
- Financially unsound audits last 2 years of the immediately preceding 3 years
- Academic outcomes have not been comparable to the local school administrative unit in any of the immediately preceding 3 years and the school has not met growth in the last 3 years.
- Continually low-performance grade of D or F and a growth score of "met expected growth" or "not met expected growth" for the immediately preceding 3 years

**\*Comparable is defined as a proficiency score that is no less than 5 points of the LEA's composite score based on the EOG/EOC courses offered.**

**\*Any renewal of the Charter can be revoked according to SBE Policy TCS-U-010**

**\*\* Pending State Board of Education adoption of bidding process.**

**Schools receiving a 3 year renewal will only be eligible for a 3 year renewal once.**

*This is a general guideline that we use to make recommendations. There will be other factors such as: persistent patterns, site visits, statutory language, and the performance framework.*
